In this quiet corner of our borough, where stories stir in every glass and laughter lingers like the sweet smell of spice, something rather special has been concocted. Shampán Group is the proud sponsor of Bromley Buzz and as a celebration of this exciting partnership, we've come together to craft an exclusive cocktail and mocktail —each thoughtfully created to capture the spirit of collaboration and community. One of the key ingredients in these signature drinks is locally sourced honey, chosen not only for its rich, natural flavour but also to support local beekeepers and sustainable practices.

It's a little taste of local pride, mixed to perfection. Here's to great flavours, good vibes, and bringing people together!
